June 1st, 2022

Hello,

Challenge to Excellence's Parent Volunteer Association will be sponsoring their Annual "Mammoth March" FUN RUN for all K-8<sup>th</sup> grade students on September 22<sup>th</sup>, 2022. The Fun Run will provide a healthy alternative to traditional product sales to raise funds for our school. It is a student-led, values-centered, fitness-based fun run. The students will obtain pledges and raise money by running laps. The program will promote 3 specific values -- Fitness, Education, and Character as well as build school spirit, increase team building, and raise school pride.

*Our goal is to raise money for laptops, tablets, and upgrades to the technology infrastructure for Challenge to Excellence. All successful fundraisers have expenses associated with the event. Our goal is to offset the expenses with donations so more of what the students earn will go directly back to the school.*

A document describing our Business Sponsorship program is attached. Your donation will allow for each student to have a custom T-shirt to wear the day of the Fun Run and on monthly Spirit Wear Days throughout the school year. For your donation, your business logo will be placed on the shirt along with advertisements in our school's online directory and in various PVA publications including website, newsletters, social media. Our school families support your local businesses; we hope you will be able to support our local school.

If you would like to make a donation or have any questions, please contact Diana Diodosio at [PVA@C2E.org](mailto:PVA@C2E.org)

We truly thank you for your support!
