**C2EMammoth members giving their all for student achievement at the highest level  
of academic excellence!**

The School Accountability Committee (SAC) has (2) elected position openings for this coming school year (2020-2021). We are seeking individuals who are interested in joining the SAC. The SAC provides an opportunity for parents, staff and the community to be involved in the planning and evaluation of the school's instructional programs. The SAC gathers information (through testing data) and advises the director on concerns of the parents as they relate to educational programs and environment.

As a member of the SAC you would be a part of the accountability group and be able to work with the director and staff in supporting and improving our school.

For more information, the SAC Bylaws and Minutes can be found on the C2E website under the "Councils" tab. If you are interested in running for one of these important positions, please fill in the following information and return it by email to [SAC@c2e.org](mailto:SAC@c2e.org) or return it to the front office.
